Special Features

This luxury complex with 10 detached villas, finishings include marble floors, air conditioning in every room, a fully fitted kitchen including a refrigerator, oven, hob with extractor fan, dish washer, microwave and granite worktops; electric water boiler, washing machine, jacuzzi bath in master bedroom en suite, first quality tiles and Hilton wash basin in bathrooms and exterior sun/security shutters. There will be steel double locked main external door, American style wood panel interior doors and all windows will be double glazed PVC. There will be also 24 hour complex security.

We Think

Seaside Villas is a luxurious development of elegant villas. The villas will be finished to the highest standard. The complex is located about 500m from local amenities and just a five minute drive from Side town centre.

The villas are linked by a spectacular river style swimming pool with water falls. Each villa opens up to its own private sector of the swimming pool. A fantastic investment.
