## Special Features

A very attractive complex of 2 and 3 bedroom apartments with many additional facilities on the site like: communal swimming pool, children's pool, fitness center, sauna, playground for children. All the apartments are equipped with split air conditioning units. There will be ceramic or laminated floors throughout the apartment, PVC double glazed windows, American type panel doors, fitted cabinets and marble worktop in the kitchen

## We Think

Beautiful location by the river in green surrounding. It can be considered ideal for investment, residing or rental purposes as it close to golf courses, Belek town center and beach.
